**APPLICATION FOR RE-REGISTRATION FOR POST-SECONDARY/TERTIARY
EDUCATIONAL PROVIDERS OPERATING IN BARBADOS**

Introduction

The Barbados Accreditation Council was established under the authority of the Barbados Accreditation Council Act 2004-11. Under Section 3(2) of the Act, the Council has been set up as a body corporate with powers to regulate its functions.

One of its functions is to register institutions which offer post-secondary or tertiary education and programmes of study. According to the Education Act, Cap. 41, Section 30A (1), *“no person may establish a private school or educational institution in Barbados after the 13th August, 1990 without the prior approval of the Minister”*.

Aim

The aim of registration will be to certify that an educational provider¹ meets or exceeds certain standards required to operate in Barbados.

The registration process will be the first step towards accreditation of programmes offered by any institution as it will provide registered institutions with a foundation for logical development towards accreditation.

Objectives:

The objectives of registration will be to:

- (a) Certify that institutions are legally operating within the domain of Barbados;
- (b) Certify that institutions (locally, regionally and internationally) operating in Barbados comply with relevant legislation; and
- (c) Develop a register of institutions which have gained approval by the Barbados Accreditation Council.

Registration Period

Registration may be granted for a period of up to three (3) calendar years. During this period, the provider is required to submit an annual registration report to maintain its registered status.

Application for Re-Registration

Providers seeking to become re-registered must complete the prescribed **“Application for Re-registration”** form which is available from the Barbados Accreditation Council office or its website.

All applicant providers are advised to refer to the BAC’s publication *“Registration Guidelines for post-secondary/tertiary education and training providers”* **before** completing the application form.

¹ Educational provider refers to any individual, organisation, or institution offering postsecondary and/or tertiary education and training programmes of study or courses within Barbados
